

Getting Started With

Mitchell Library

Thursday, February 28

9:30-11:30am

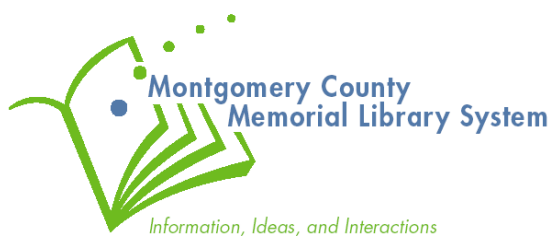

Community Room 102

Space is limited. Registration recommended.

Register online at www.countylibrary.org/calendar.htm

Join MCMLS Genealogy Librarian, Carl Smith, for a special workshop that covers the ins and outs of FamilySearch. Learn how to search the historical records catalog, access digitized records and books, navigate the online global tree, and discover additional research help through the FamilySearch Wiki.

FamilySearch is the second largest online genealogical database. As an affiliate library, the MCMLS Genealogy department provides unique access to this invaluable database.

George and Cynthia Woods Mitchell Library
